It is seen from the statement of income and expenditure of the Sivaganga temple furnished by the Amildar, that, excluding the special expenditure on repairs, the temple has an average yearly net income of Rs 2047 and that the accumulated funds amount to Rs 13,791-1-7.

Including the expenditure on repairs, the average income (inclusive of jatra takings.) and expenditure per year for the last 5 years is as shown below:-

The Dy: Comr: recommends that a small monthly grant of Rs 20/3 may be sanctioned from the above source temporarily for 5 years in the first instance.

The grant applied for being Rs 10/-, it is a point for consideration and orders whether the grant recommended by the Dy: Comr: will ~~be sufficient~~ meet the needs of the temple.

It is also a point for consideration whether the opinion of the Dharmadarsis is not necessary for the grant proposed

Though I have not been able to inspect the institution in person, it may be said that the temple is a matter of personal pride on the part of the Sivagangai and that Govt. cannot therefore come to their help to maintain it. If the Nellaungalam institution does to the

It seems to be advisable to follow a consistent policy in the treatment of institutions of this kind, the only exception being new institutions arising in populous centres of recent growth. It will be inexpedient to divide the resources of the few institutions in the State showing a surplus income. In the case of Sivaganga temple which was in question some recently there is a great need to conserve its resources as so many buildings have also been taken up for repairs and renovation one after another.

From the statement of income and expenditure of the Sivaganga temple furnished by the Amildar, and from his report No.364 -- dated 15th November 1914, it is seen that excluding the special expenditure [redacted] of repairs etc.,the temple has an average yearly net income of Rs.2,407/- and that the accumulated funds amount 2067 to Rs.13,791-1-7. To

H.V. Nanjundayya, Esq., M.A., M.L., C.I.E.,

First Member of Council, Mysore Government,

BANGALORE.

Respected Sir,

I most respectfully and humbly beg to state that I presented a petition to the Superintendent, Muzrai Department, on 10-1-1907 praying that the Temple of "Vinayaka" which we have built in the village of Sondekoppa, Nelavangala Taluq, may be kindly taken under the Muzrai Management as we find it very difficult to make proper arrangement for its upkeep by ourselves in an efficient state for ever, and that an endorsement was given to me in their No.5712 dated 30th May 1907 to the effect that my arzi was forwarded to the Deputy Commissioner, Bangalore District, for report.

2. Although it is nearly more than 8 years since I received the endorsement my application is still pending. From the enquiries made at the Nelavangala Taluq Office I learnt that the Amildar after visiting the place making local enquiries and taking the Mahazirs &c., had recommended for a grant of Rs.10/- per mensem for the proper management of that Temple and that the then Sub Division Officer Mr. M.A. Narayana Iyengar had supported the Amildar's recommendation.

3. The Amildar has also recorded my statement in 1908 in which I have given out that I would give Rs.500/-

and

and also some lands for the upkeep of the temple. Apart from the above information I do not know what further steps have been taken in the matter.

4. Now I approach your honour with an humble request that you will be kindly pleased to consider the representations which I have put forth in my petition to the Muzrai Department, and solicit that favourable orders may be kindly passed towards the grant of my humble request.

For which act of charity on the part of the Government myself and my family will for ever be grateful.

I beg to remain,

Respected Sir,

Your most obedient and humble servant,
